Durham Region, ON: The Fourth Annual Food Truck Frenzy is so much fun, you'll eat it up!

The Rotary Club of Whitby's Gourmet Food Truck Frenzy is all fired up for its celebration of curbside cuisine taking place May 27 and 28 at Iroquois Park in Whitby.

With its continued success, Food Truck Frenzy Whitby has become the Finest Foodie Festival in Durham Region. Foodies and families alike can take in the best food and entertainment the region has to offer. This year's festival features an impressive line-up of curbside chefs and their tasty creations, talented musical performances and family fun activities.

The 4th Annual Food Truck Frenzy presents more than 30 food trucks that serve up an array of decadent comfort food, savoury international dishes and tantalizing sweet treats. This year's event also features some of the finest local food artisans who grow and craft food right here in Durham Region.

"Our event keeps getting better each year. What started four years ago as a celebration of food truck fare, has now grown into the Finest Foodie Festival in the Durham Region. We've combined the best street food from across the GTA with the best of our talented local artisans and performance artists, to create a weekend long festival for families and foodies." said Geno Diraddo, of the Rotary Club of Whitby.

Food truck fans can enjoy the delicious fare of returning favourites like: Stuttering John's Smokehouse, Tdots Naansense and Apple Fritter and delightful new food experiences from **Philthy Phillys Cheesesteaks & Pouterie, Colossal Onion and Eva's Original Chimneys**.
